To start listing your equipment click on the “Product Listings Tab” then click on the “Add New Listing” link.

Your Account information will automatically fill in the “Client Information” Area at the top of the screen.

Now you can start entering the Details of the equipment you would like to list.

First select your equipment Type from the drop down list, and then enter the applicable information about your equipment. You must enter a description of your equipment in the “Listing Notes” area. Notice that if you hover your mouse over any required field a tip will appear with an example of what should be entered.

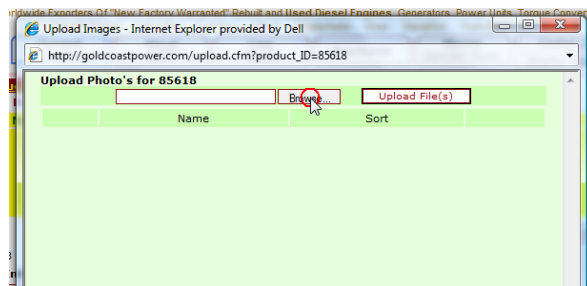

When you’re finished entering your information click the “Save” button at the bottom of the screen.

A screenshot of a web form titled 'ADD LISTING'. At the top, there are three tabs: 'Product Listings' (active), 'My Profile', and 'Logout'. Below the tabs, the form is divided into several sections. The 'Client Information' section contains fields for First Name (Joe), Last Name (Smith), Company (JPS Inc.), Phone 1 (555-555-5555), Phone 2, Fax, E-mail (Joe@smith.com), Address 1 (1000 NW 88th Ave), Address 2, City (My City), State (My State), and Zip (33333). There is an 'Edit Profile' link. The 'Product' section has a dropdown menu for Type (Engine), and fields for Model (12345), Manufacturer (MAN), Qty (2), Hours (300), HP (1000), KW (0), Phase (0), Hertz (0), Voltage (0), Cooling, Transmission (MAN), Ratio (1:0), Electrics (0), Asking Price (\$1500), FOB (FL), and Quote. The 'Listing Notes' section is a text area containing the text 'This Engine is very Clean' and a tooltip that says 'Please enter a Description of the product you are listing.' when the mouse hovers over the text area.

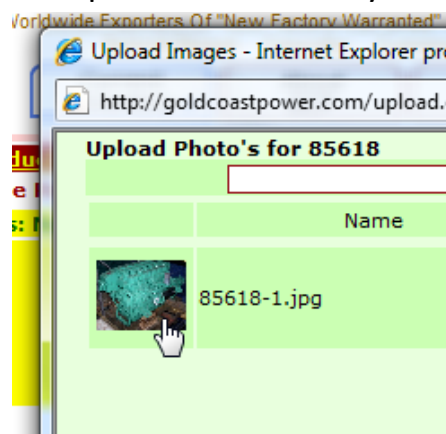

You will now notice a message that tells you that you can upload photos of your equipment if you choose. To upload photos of your equipment click the RED upload photos button.

The Upload photos popup will appear. Simply select the “Browse” button to browse your computer for the photo you want to upload. After selecting the photo click the “Upload File(s)” Button.

Once the photo is uploaded you will see a preview of the file. To add more photos just repeat the process. Once you're done close the upload photos popup and click the “Save Changes” Button on the bottom of the Screen. You will now notice a message above your listing information that tells you your product was updated successfully.

Clicking the “Product Listings” Tab will allow you to add another product and view all products listed prior. Notice the product we just listed is “Pending”. This means

that the professionals at GoldCoastPower.com are reviewing the product information to make sure they have accurate and sufficient information before listing your equipment. A representative will contact you if needed.

While a product is pending you can view details, change or update the product information for that product simply by clicking the "Pending" link next to it.

Once your product has been listed on our site you will see the "Accepted" link next to it. You will also receive an email confirming the product has been listed.
